An excellent course for training Christians to have a biblical worldview

### About the Course

The goal of this course is to establish the importance of the creation/evolution and moral relativism issues and why we need well-trained teachers who are equipped to teach about these subjects from a biblical worldview.

**Creation Training Initiative** is a biblically-based education and apologetics ministry dedicated to equipping and training Christians to defend their faith and to proclaim the Gospel of Jesus Christ effectively.

*And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.*

2 Timothy 2:2

Proverbs 22:6
