

**A great course for instructing teachers and parents so they can, in turn, train youth and others to defend their faith.**

**Attention Teachers:** This course is certified through ACSI for one Continuing Education Unit (CEU) for Christian school teachers.

**Resources:** Resources will be available for purchase (books and DVDs).

**Can you answer these challenges?**

- Who did Cain marry?
- Was there really a worldwide flood?
- How could Adam name all the animals in one day?
- How do you fit the dinosaurs into the Bible?
- How could all the creatures fit on the Ark?
- How could the first three days of creation be literal days if the sun was not created until day 4?
- What about carbon-14 dating?
- Does the fossil record prove evolution?

*But sanctify the Lord God in your hearts, and always be ready to give a defense to everyone who asks you a reason for the hope that is in you, with meekness and fear.*

- 1 Peter 3:15

“If only I had known then what I know now. If someone had taught me how to defend my beliefs, I would have had the courage to speak up.”

- Jay Lucas (Senior Pastor, Ohio)

“College is a war zone for young believers who are not prepared for the battle of their faith.”

- Randy Douglas (Ph.D., Professor of Ministry)

“Four independent studies concluded that 70% of Christian youth lack confidence in the Bible and leave the church before finishing school.”

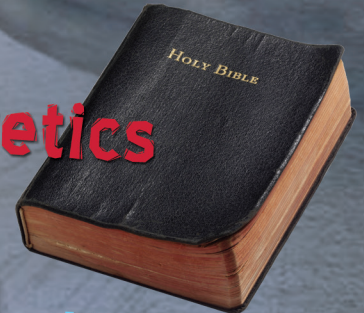

- Mike Riddle (Educator and Creation Apologist)

# Christian Educators Conference

May 20, 2017

*Can you defend what you believe?*

**Apologetics**
