

Chrislam Exposed

**Pastor Shahram Hadian is speaking
at the [AFSC](#) meeting at
Atonement Free Lutheran Church
6905 172nd St. NE, Arlington, WA
Friday, September 26th at 7:00 PM**

In "[Chrislam Exposed](#)" Pastor [Shahram Hadian](#) exposes the seductive lie of a common God between Christianity and Islam. He shares his journey of becoming a Christian, will expose the false teachings of "Chrislam," and uncover Chrislam's growing and devastating implementation into our churches and missions both in America and overseas.

Shahram speaks around the nation with a heart to awaken America, and *especially the church*. As a former Muslim, he is deeply grieved over Christian pastors and missional leaders promoting this false gospel in their effort to be culturally sensitive to Muslims. Despite Chrislam's proponents, Christians and Muslims do not worship the same God.

Refreshments plus books and DVD's at the exhibits afterwards.

Shahram was born in Iran and came to America at the age of 7 to escape an oppressive Islamic regime. He is a proud US citizen. He experienced a transformational life change when he committed his life to Jesus Christ 14 years ago. He has served his local community as a pastor, police officer, teacher and coach and was a candidate for WA State Governor in 2012.

"You cannot be a Muslim and a true follower of Jesus Christ. Chrislam not only endangers the hope of salvation for Muslims but threatens to lead many Christians astray from the truth of God's Word."

The [Apologetics Forum of Snohomish County \(AFSC\)](#) was founded to help equip Christians in the defense of The Faith in the postmodern world in three related areas: 1) [Creation vs. Evolution](#), 2) [Christian Apologetics](#) and 3) [Biblical Worldview](#). [AFSC](#) provides a local Forum in the North Snohomish County area for lectures and DVD programs by knowledgeable presenters on these topics. All presentations are given with the presupposition that the Bible is God's inspired Word and is accurate and inerrant in its original autographs. The Bible is a total worldview that speaks to all disciplines and areas of our life.
