Today, in an effort to redefine Christianity, alarming numbers of popular yet apostate “evangelical” leaders known as “The Emerging Church Movement” are abandoning historic and biblical standards.

This unscriptural, even deadly movement is part of the predicted “great falling away” of **2 Thessalonians 2:3** as Emergent leaders now proclaim that the Church has failed in its mission, that doctrine is irrelevant and that the very basis of Christian thinking has always been faulty. In this seminar, Eric defines Emergent thinking and terms, concisely exposing the leaders and errors of the Emergent Church.

After spending two decades immersed in the world as a record producer, rock musician, drug addict, and New Ager, **Eric Barger** is now widely recognized in the area of Christian Apologetics and Discernment Ministry. See website at EricBarger.com.

He is the author of numerous books, including the best-seller *From Rock to Rock, Entertaining Spirits Unaware: The End-Time Occult Invasion* (with co-author David Benoit) and *Disarming the Powers of Darkness*. He has produced dozens of videos detailing various aspects of the Cults, the Occult, World Religions, Current Events, Bible Prophecy, and today’s Entertainment Industry all in the light of a biblical worldview.

After hosting his own weekly radio program heard nationally, Eric now serves as the co-host of **Understanding The Times** with **Jan Markell** heard currently on over 800 stations. Through the years Eric has been a featured guest on hundreds of Christian and secular programs.

The **Apologetics Forum of Snohomish County (AFSC)** was founded to help equip Christians in the defense of The Faith in the postmodern world in three related areas: 1) Creation vs. Evolution, 2) Christian Apologetics and 3) Biblical Worldview. **AFSC** provides a local Forum in the North Snohomish County area for lectures and DVD programs by knowledgeable presenters on these topics. All presentations are given with the presupposition that the Bible is God's inspired Word and is accurate and inerrant in its original autographs. The Bible is a total worldview that speaks to all disciplines and areas of our life. More on **AFSC** at ApologeticsForum.org.
