

Mini Conference:
Current Challenges to The Church
Eric Barger speaking at
Atonement Free Lutheran Church
6905 172nd St. NE, Arlington, WA
Saturday Jan. 23 at 9:00 AM

In this Mini-Conference on **Current Challenges to The Church**, Eric brings two seminars on how the church is being challenged by false teaching, and on how we can and must answer these challenges.

The first seminar at 9:00 AM is on **The Real Jesus vs. The Counterfeits**. Mormonism, Jehovah's Witnesses, Christian Science, The New Age Movement – they ALL speak of a "Jesus." However, no matter how sincere they may be, those following a "different Jesus" are without a Savior and heading for eternal disaster.

The second seminar at 10:30 AM is on **New Age or Not: What Difference Does It Make?** With another major election year looming just ahead, Christians need to weigh whether New Age spiritualism or occult practices matters when it comes to our elected officials. Perhaps we should learn from history just how God dealt with Israel during the reign of evil kings? This is information you won't hear on the evening news!

After spending two decades immersed in the world as a record producer, rock musician, drug addict, and New Ager, **Eric Barger** is now widely recognized in the area of Christian Apologetics and Discernment Ministry. See website at EricBarger.com.

He is the author of numerous books, including the best-seller ***From Rock to Rock, Entertaining Spirits Unaware: The End-Time Occult Invasion*** (with co-author David Benoit) and ***Disarming the Powers of Darkness***. He has produced dozens of videos detailing various aspects of the Cults, the Occult, World Religions, Current Events, Bible Prophecy, and today's Entertainment Industry all in the light of a biblical worldview.

After hosting his own weekly radio program heard nationally, Eric now serves as the co-host of **Understanding The Times** with **Jan Markell** heard currently on over 800 stations. Through the years Eric has been a featured guest on hundreds of Christian and secular programs.

The **Apologetics Forum of Snohomish County (AFSC)** was founded to help equip Christians in the defense of The Faith in the postmodern world in three related areas: 1) **Creation vs. Evolution**, 2) **Christian Apologetics** and 3) **Biblical Worldview**. **AFSC** provides a local Forum in the North Snohomish County area for lectures and DVD programs by knowledgeable presenters on these topics. All presentations are given with the presupposition that the Bible is God's inspired Word and is accurate and inerrant in its original autographs. The Bible is a total worldview that speaks to all disciplines and areas of our life. More on **AFSC** at ApologeticsForum.org.
