Heinz will bring a message on [You Can Trust The Bible](#). Religions are based on their holy book(s.) The Christian faith is based on the [Bible](#). The Bible claims to be God-breathed. Skeptics, atheists and recent polls would have us believe otherwise. [Prophecy](#), [history](#), [geography](#), and [archaeology](#) confirm its Truth. There are some amazingly accurate [scientific](#) statements that

anticipate the science of today. The Bible is like no other book in the world. It provides many sound evidences and convincing proofs that it is indeed God's Word. The Bible is [authoritative](#) in all matters that it addresses; it is [infallible](#), [inerrant](#), [complete](#) and [final](#). Know [what](#) you believe, [why](#) you believe this, and [how](#) to defend what you believe. [1 Pet. 3:15](#); [Jude 3](#).

Dr. [Heinz Lycklama](#) earned a PhD degree in Nuclear Physics from McMaster University in Canada. Since then he has worked in the telecommunications and computer software industries at Bell Telephone Laboratories in NJ and at Interactive Systems Corporation in CA - as an individual contributor and in management positions. In 1992 [Dr. Lycklama](#) formed Open Systems Technology Associates ([OSTA](#)) to offer his [technology](#) management consulting services to various start-ups in the high technology industry. In 2013 Heinz founded the [Apologetics Forum](#) to help equip believers in the defense of **The Faith**.

Dr. Lycklama has always maintained an active interest in the [Creation vs. Evolution](#) controversy. He has developed a series of lectures and courses on [Creation vs. Evolution](#), [Christian Apologetics](#) and [Biblical Worldview](#) over the years and presented the material in Sunday school classes, to college students, during church services, at Bible Schools, and other venues in Europe, Asia, Africa and North America. With his knowledge of the Bible and science, [Dr. Lycklama](#) has continued to develop and present new material in these subject matters. Many of his messages of the last ten years (both **lectures** and **sermons**) are on his website ([HeinzLycklama.com](#)) at [HeinzLycklama.com/messages](#).

Helping Equip Believers in The Defense of The Faith

The [Apologetics Forum of Snohomish County](#) ([AFSC](#)) was founded to help equip Christians in the defense of The Faith in the postmodern world in three related areas: 1) [Creation vs. Evolution](#), 2) [Christian Apologetics](#) and 3) [Biblical Worldview](#). [AFSC](#) provides a local Forum for lectures and DVD programs by knowledgeable presenters on these topics. More on [AFSC](#) at [ApologeticsForum.org](#).
